MINISTRY OF SOCIAL INTEGRATION, SOCIAL SECURITY AND NATIONAL SOLIDARITY

Regularisation of residential care homes operating without licence

The Ministry of Social Integration, Social Security and National Solidarity is in the presence of several suspected cases of residential care homes operating without licence.

In this connection, for the welfare and protection of the elderly persons residing therein, the Ministry of Social Integration, Social Security and National Solidarity is hereby giving a **moratorium period up till 01 September 2025**, during which all operators of residential care homes operating without a licence issued by this Ministry, as well as any other person intending to establish such facilities, are **invited to come forward and regularise their operations**.

This initiative aims to bring all residential care homes operating without licence, in line with legal and safety standards. Operators are urged to seize this opportunity to comply with the regulations in force.

Passed this moratorium period, the Ministry of Social Integration, Social Security and National Solidarity will initiate procedures for the prosecution of all residential care homes found to be operating without licence.

For more information or to initiate the regularisation process, please contact the Ministry of Social Integration, Social Security and National Solidarity directly on Tel. No. 207-0625, Hotline: 172 & 199 or email address: mss@govmu.org.
